BORN FREE

Born free
As free as the wind blows
As free as the grass grows
Born free to follow your heart

Live free
And beauty surrounds you
The world still astounds you
Each time you look at a star

Stay free
Where no walls divide you
You're free as a roaring tide
So there's no need to hide

Born free
And life is worth living
But only worth living
Cause you're born free

DEDICATION

A teacher affects eternity; he can never tell where his influence stops.

Henry B. Adams

We, the Class of 1972, dedicate this yearbook to the man who has unselfishly given both his time and understanding to our class. He has been the class advisor for two years and with him, we have accomplished more than we thought possible.

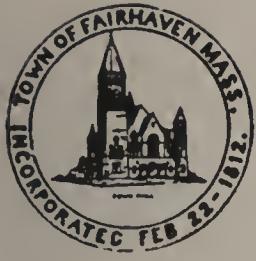

Mr. Albritton, so often looked upon by some students as the arch-villain of Fairhaven High, is really quite a man. His advice is free and to get it one only has to knock on his door. He will never refuse his help.

In the years to come when we reminisce on our "Alma Mater" there is no doubt that everyone will recall the man who sometimes made us sit in after-session. It seems funny that he always seemed to be in the wrong place at the right time!

Sincerely and gratefully,
The Class of 1972

To the Class of 1972:

It is the responsibility of each graduate to develop a plan for lifelong learning: learning about the world we live in; the people who inherit it; the environment — physical and social; the sciences; the arts we have inherited and are creating; but most of all, about the way the world's peoples are interacting.

If one dedicates his efforts toward an understanding of all these areas, he will have not only a chance of survival, but also of making his life enjoyable and significant.

My congratulations to you and your loved ones on the memorable occasion of your graduation from Fairhaven High School.

Sincerely,

Stanley J. Grabiec

ACTIVITIES

THE HUTTLESTONIAN

The Huttlestonian staff realized that the year was passing quickly, and they began the tedious job of compiling the yearbook. The editor, Martha Sibor, and the associate editor, Beverly Tabet, worked closely with the other department editors, Denise Brault, Irene Resendes, Carl Albritton and Cindy Hanczaryk, to produce a memorable yearbook for the Class of 1972.

THE "SPRAY"

K E Y C L U B O F F I C E R S

The Key Club, sponsored by the Kiwanis Club, generously devoted their services to the school and the community through several worthwhile campaigns this year. This is an exclusive club which operates on an international basis. These boys deserve a note of congratulations for a job well-done. The officers are: President, Dana Almeida; Vice-President, Gary Valerio; Secretary, Carl Albritton; Treasurer, Jim Cunha.

STUDENT COUNCIL

The Student Council is an important bridge of understanding between the faculty and the student body. Through hard work, the council gains experience in governing people. Each meeting is spent exchanging ideas concerning the efficiency of the school.

Stuart Mitchell is the Student Council representative for the Distributive Ed. students.

HONOR SOCIETY

The Fairhaven High School Chapter of the National Honor Society was organized in 1927. The attainment of membership in this society is both an honor and a responsibility. The members must be willing to uphold the ideals of scholarship, leadership, character, and service. The officers are: President, Freda Bennett; Vice-President, Denise Brault; Secretary, Robert Beauchamp; Treasurer, John Collins. Steve Garro was absent when picture was taken.

When we began our sophomore year, we were filled with mixed emotions. Once again, being at the bottom, we had to prove ourselves to the upperclassmen. Our efforts proved to be successful by coming in third place in the float contest. Our next achievement was becoming big brothers and sisters to forty-one children from St. Mary's Home. Although the day began happily, our good-byes ended in tears. As our class project, we chose to sell "Fairhaven High School" pens. This idea went over well and we profitted greatly.

As we say good-bye to the Seniors, we wish them the best of luck in their future lives. Now that we have finished our Sophomore year we hope for two better ones to come.

Our lives are growing; they're growing free,
Just like a dandelion, what lies to be?
It starts with a seed deep in the earth,
Then it grows and grows until it bursts.
It bursts into a crown of golden fluff,
That shines its life from dawn to dusk.
Will this dandelion wither and fall
Or to its peak, grow mighty and tall?
And we find as the dandelion blows in the breeze.
We, too, are like the eagle that was born
to be free.

CLASS HISTORY

In September of 1968, we began our high school careers with high hopes for the future. Our first action was the election of our class officers who led us through the year's activities. Advised by Mr. John Haaland, the President, Phillip Burke, the Vice-President, Charles Chaples, the Secretary, Kathy Gouveia, and the Treasurer, Charlie Jones, ran our class project, the Battle of the Bands. Aiding the officers in this successful venture was the executive board. The members, Teddy Tucker, Gary Valerio, David Loughlin, Kathy Chandler, David Spencer, and Richard Audette also helped to organize our class dance, Santa's Psychedelic Hop.

As Sophomores at F.H.S., we blended in right away. After recovering from the victory party at President Sue Labonte's we went to work selling magazine subscriptions. The rest of the officers; Gary Valerio as Vice-President, Kathy Gouveia as Secretary, and Joanne Bennett as Treasurer all worked along with the executive board: Paul L'Etoile, Joan Alexion, Martha Sibor, Debbie Ponte, Cindy Hanczaryk, and Richie Tetreault. On May 29, the Sophomore Dance, featuring "Stuff" was held in the gym. In the course of the profitable year, the second on the road to graduation, we adopted "The Bomb" as our class mascot.

When we returned from summer vacation and walked through the now familiar halls, we felt a glimmer of the excitement that was to fill our Junior year. The people we chose to lead our class through this important time in our F.H.S. careers were the President, Gary Valerio, the Vice-President, Kathy Gouveia, the Secretary, Joanne Bennett, and the Treasurer, Martha Sibor. Assisting these energetic people were Kathy Chandler, Debbie Sears, Diane Mitchell, Charlie Jones, Carl Albritton, David Grinrod, and Irene Resendes. On October 13, 1970, we received our long awaited class rings. After the first few days of gazing at our brand new rings and polishing the stones, we were ready to sell Nestle's Candy Bars. The winter passed bringing the freshness of spring and our Junior Prom, decorated to the theme of "The Wonderful World of Yesteryear." Music was provided by Ray Besse and his Orchestra. The Court

consisted of Kathy Gouveia, Martha Sibor, Joanne Bennett, Debbie Hanson, Joan Alexion, Diane Espindola, and Louise Connor. The Lady-in-waiting was Patty McCoy and the Queen was Kathy Chandler. When the long year came to a close, we experienced the excitement of Junior Day when we finally assumed our roles as *Seniors!*

The summer passed all too quickly and we began our reign over F.H.S. Our officers in this most important year were Kathy Gouveia, President, Carl Albritton, Vice-President, Joanne Bennett, Secretary, and Louise Connor, Treasurer. Our executive board consisted of Marion Amaral, Dennis Daniel, David Grinrod, Charles M. Jones, Patti McCoy, and Teddy Tucker. We once again became involved in the profitable selling of Nestle's Candy Bars, as our class project. In the midst, of the confusion, we welcomed our foreign exchange student, Mariela Rodriguez from Caracas, Venezuela. After much dedication and hard work, our Senior Play, "The Man Who Came To Dinner," was presented on March 29 at Hastings Junior High. Tom Hiller and Tom Booth acted as Directors and provided invaluable assistance to all those Seniors who were involved.

Then, the most important time of the year arrived. The business students had already left and now Junior Day was our day. Solemnly, but with a certain feeling of accomplishment, the Class of 1972 marched into the auditorium on June 2, 1972. That night our Senior Prom was held at White's. The following week on Wednesday, June 7, we graduated. This was the last function that our class would attend as a unit. These last days that we spent together were probably the friendliest times. There were only happy faces to be seen. The four years that we have just finished are full of happy memories and one can undoubtedly say that we have found many fine friends, be it students or faculty.

This History contains only a few facts and figures of what our class has accomplished. It would be impossible to write all the great times that have come to pass, but it is definitely four years to cherish.

For our final year at F.H.S., the Class Officers organized many projects to raise the money that would be needed to finance the abundant Senior activities, which include our Prom and Banquet. Due to the cooperation of the class, the projects were all highly successful.

Kathy Chandler reigned over this "Wonderful World of YesterYear" as queen. Lady-in-Waiting was Pat McCoy. Kathy and Pat along with their dates led the traditional Grand March with the rest of the Court. The Court consisted of: Martha Sibor, Diane Espindola, Kathy Gouveia, Louise Connor, Joan Alexion, JoAnn Bennett, and Debbie Hanson. As the final dance drew to an end, we left the auditorium with fond memories of our Junior Prom that will remain with us always.

JUNIOR DAY

On Friday June 4, 1971 the Class of 1972 took over the role as "Seniors" of Fairhaven High School. It was a happy day for us, yet some could not stop from crying as the departing Seniors marched out of the auditorium.

Gary Valerio received the mantle from Danny Costa, both being President of his Class. Steve Garro was presented with the Harvard Book Club Award, and Freda Bennett received the College Book Club Award.

For us, it was to be the beginning of a most anticipated year. It was to be our final year at F.H.S.

OUR AMERICAN FIELD SERVICE STUDENT

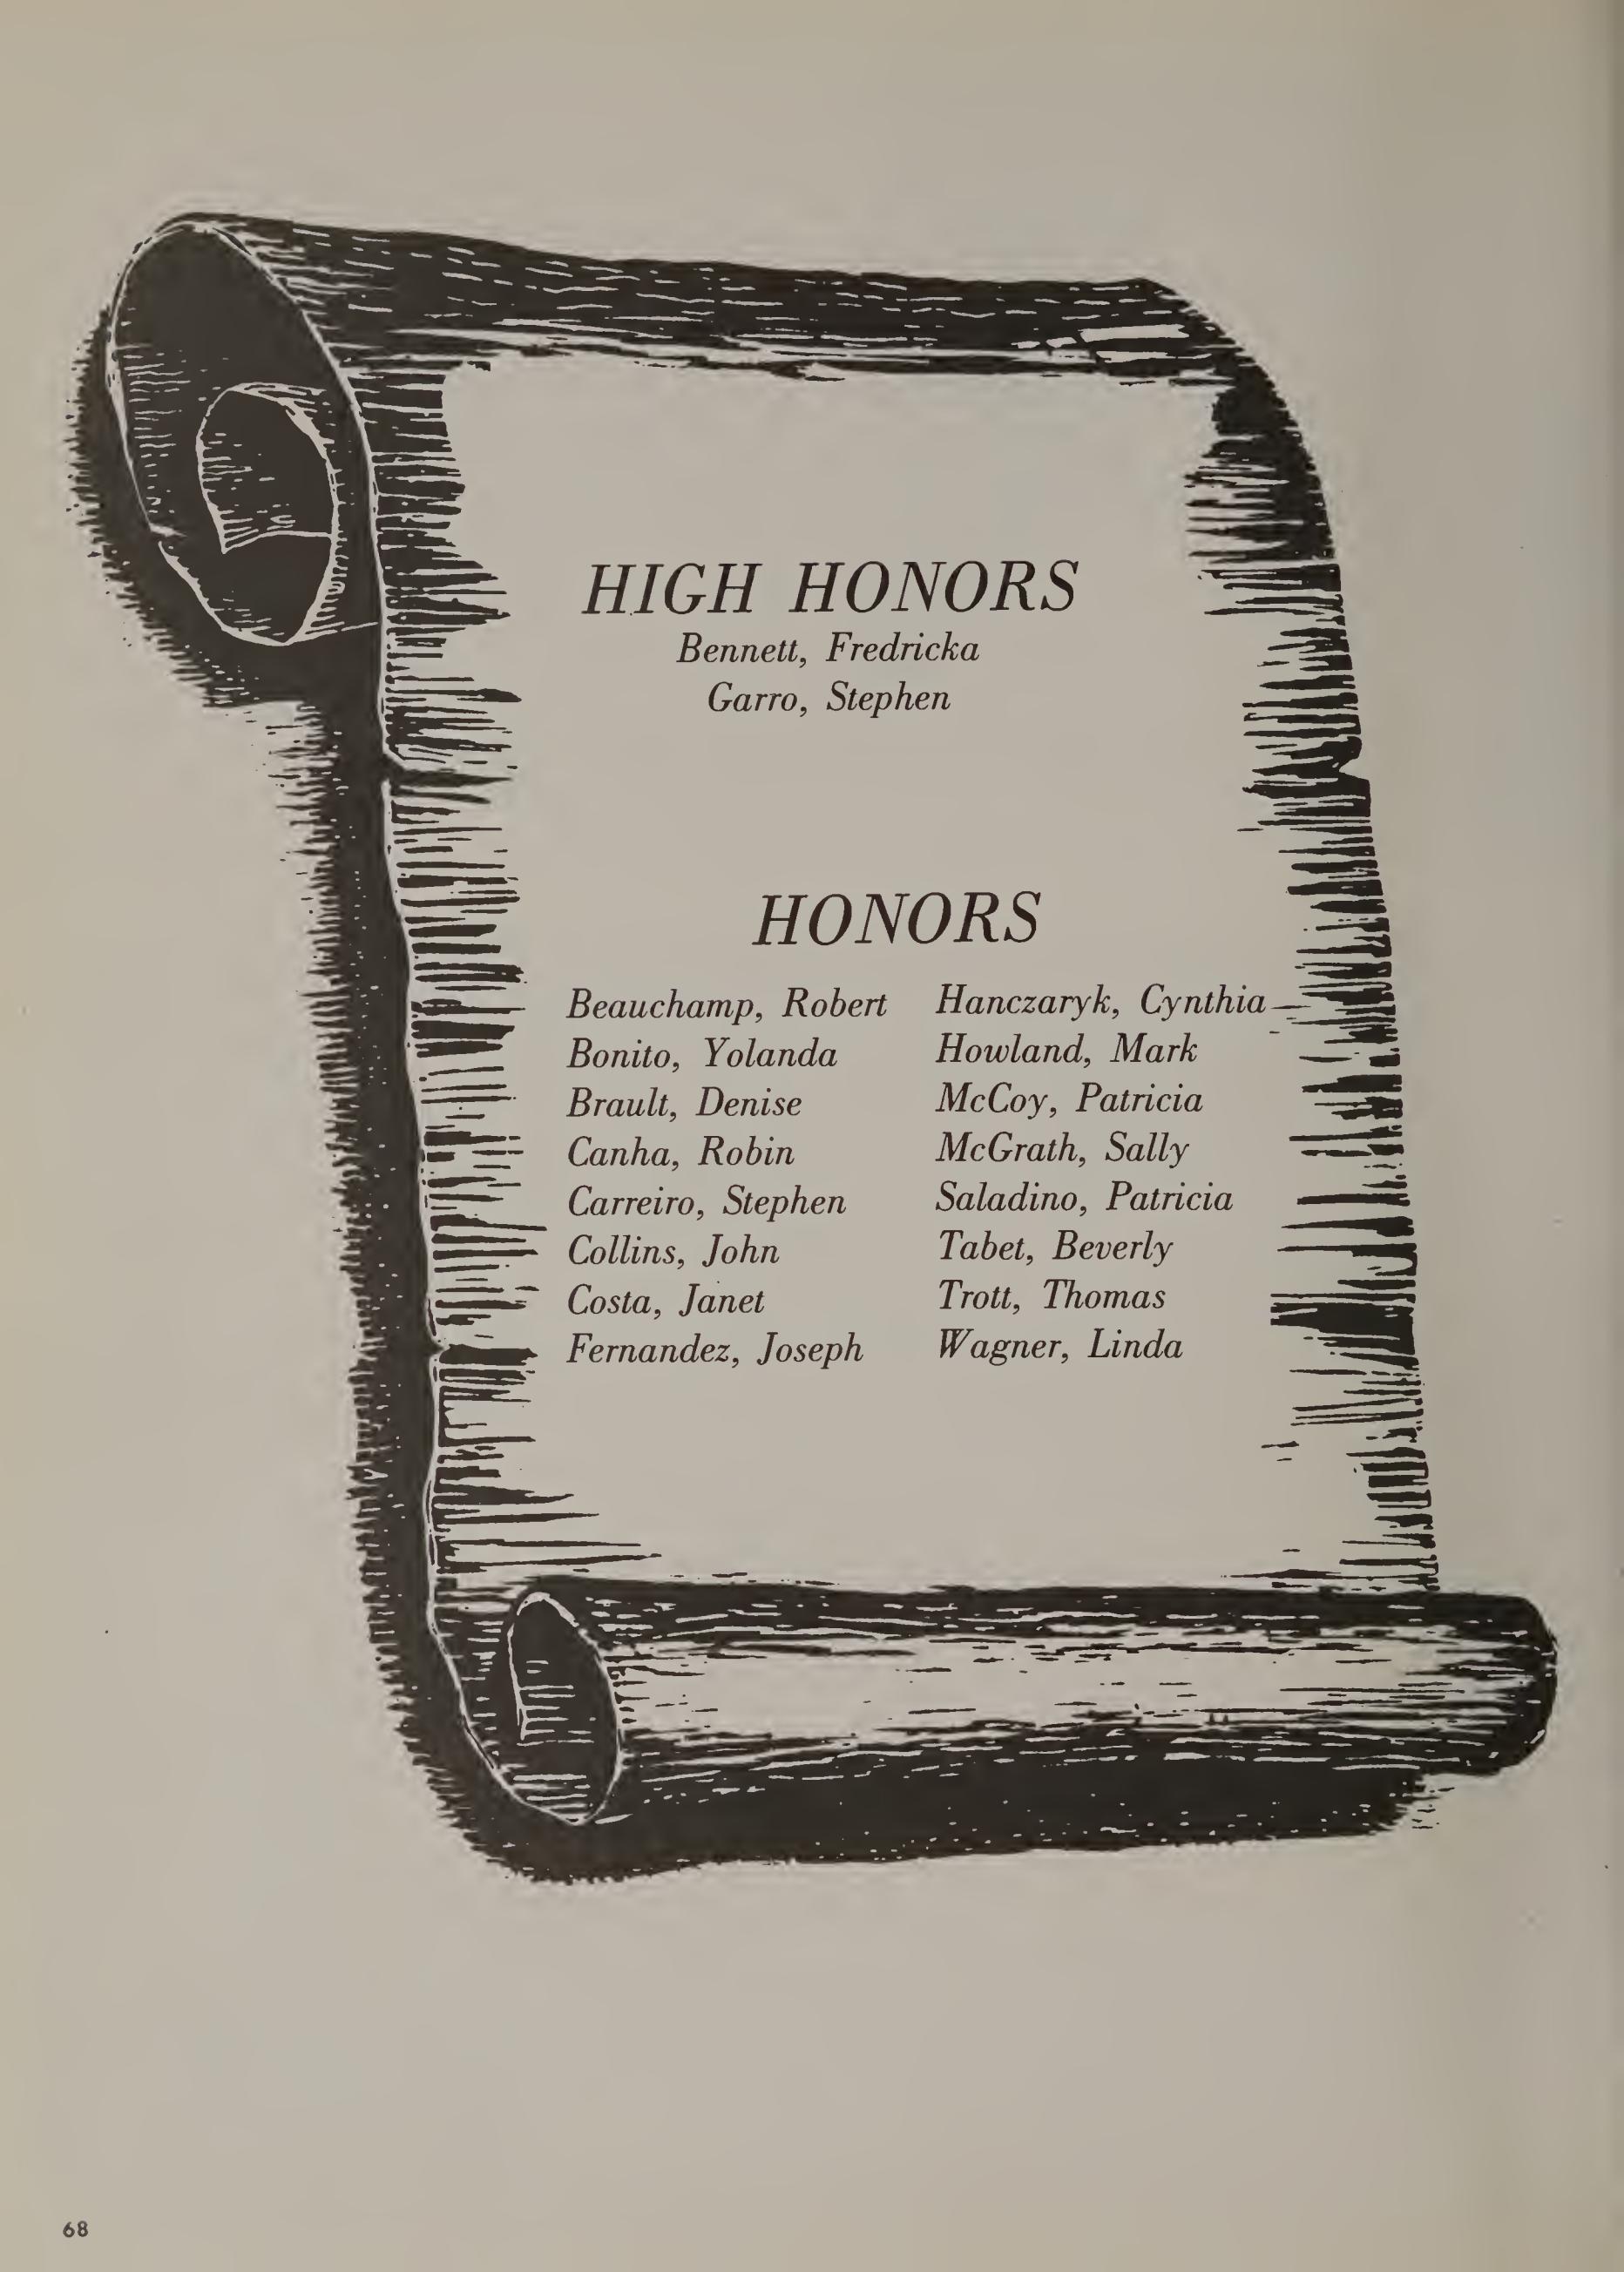

This year Fairhaven High School welcomed Mariela Rodriguez from Caracas, Venezuela. During her year as our foreign exchange student, Mariela brought many new customs and new words to us all.

She lives with Dr. and Mrs. Dennis Brault and their daughters, Denise and Alyson, at 252 Main St. Her American family is relatively small when compared to the three sisters and brother she left in Caracas. Fairhaven seems rather sparsely populated to her after the big city in which she grew up, but Mariela has come to love our town for its own qualities.

Mariela left a climate with a yearly average of 68 degrees to come to New England and become acquainted with its varying temperatures. Her first meeting with "SNOW" was a big event in her life. For the first, Mariela grew aware of the great game of football and football players! Meeting new friends and seeing new places kept her occupied all the time.

We're all sure that Mariela will take back many memories of Fairhaven, our country, and all of us, that she will treasure all her life.

"IF"

by *Rudyard Kipling*

If you can keep your head
When all about you
Are losing theirs
And blaming it on you;

If you can trust yourself
When all men doubt you,
And make allowance
for their doubting, too;

If you can wait and not be tired of waiting
Or being lied about, don't deal in lies;
Or, being hated, don't give way to hating;
And yet don't look too good, nor talk too wise;

If you can dream,
And not make dreams your master;
If you can think,
And not make thoughts your aim;

If you can meet
with Triumph and Disaster,
And treat those two imposters
just the same.

If you can bear to hear
the truth you've spoken
Twisted by Knaves
to make a trap for fools,

Or watch the things
you gave your life to, broken,
And stoop, and build them up
with worn-out tools;

If you can make one heap
of all your winnings
And risk it on one turn
of pitch-and-toss,

And lose and start again
at your beginnings
And never breathe a word
about your loss;

If you can force your heart
and nerve and sinew
To serve your turn
long after they are gone,

And so hold on
when there is nothing in you
Except the Will
which says to them: "Hold on!"

If you can talk with crowds
and keep your virtue,
Or walk with Kings —
nor lose the common touch —

If neither foes nor loving friends
can hurt you,
If all men count with you —
but none too much;

If you can fill
the unforgiving minute
With sixty seconds
worth of distance run,

Yours is the Earth
And everything that's in it
And — which is more —
You'll be a Man, my son!
